## SPONSORSHIP SUGGESTIONS

Soap Box Race car races are popular events in cities around the country. Some racers devote hours a day to building, designing, and practicing for the next big event. Some Soap Box Race car racers are even semi-professional and have been able to receive a sponsor or two to help pay for their efforts. You don't need to select a corporate sponsor to participate. Even friends and family can sponsor you.

Find local businesses in your neighborhood that would be willing to sponsor your car for the next Soap Box Race. Many businesses will help pay for your car in exchange for advertising on the car itself (much like you would find in NASCAR or other racing circuits).

Be sure to submit the information about your sponsor(s) on the SPONSORSHIP FORM as they may be mentioned during the race event.

## WHERE DOES THE MONEY GO?

All proceeds of this event will be specifically designated to our "Y FOR A BETTER US" campaign fund. This fund helps provide a wide range of programs and activities for families who cannot afford the cost of programs. These include child care, after school activities, youth sports, swim lessons, and other programs designed especially for young people. In 2016 the Wichita Falls YMCA provided over \$905,456 in scholarships to local children and families.
